Chair's Report

Period September 2011 – August 2012

During this period the charity has come into existence, a board of trustees formed and a broad direction of travel has been established. It has been an exciting time for all involved especially for me as it has been a great honour to be chairman of the charity and to work with the other trustees as well as our inspirational chief executive officer Vincent Brittain. Our first year well and truly established Inspire+ as a very significant local charity committed to encouraging sport and physical activity for young people in the local area. Structures were put in place to enable good governance, policies and procedures and provide a solid base from which the charity could establish itself. Whilst many projects have been carried out and a lot has been achieved I think without doubt the South Kesteven Cultural and Olympic Tour was the highlight of the period and put Inspire+ at the forefront of local initiatives to celebrate the hosting of the London 2012 Olympics and Paralympics. Effective partnerships with local schools, councils, the press and others have been developed and the charity is now well established as a top quality provider of choice. None of this would have been possible without the financial assistance and support of Totemic which I should acknowledge.

The challenge is to build on these successes, explore additional funding streams, further develop and shape the direction of travel of the charity and identify the skills and staffing needed to achieve our ongoing aspirations.

David Price

Chairman of trustees, Inspire+

May 30 2013

Summary of impact

Inspire+ has been very well received by schools in its first year of operating and has extended the number of schools it has provided support to from 45 at the beginning of the year to 73. This has raised the number of pupils from 11,000 to approximately 20,000 that have received the benefits afforded by the charity.

Inspire+ has increased services and participation levels once provided by South West Lincolnshire School Sports Partnership (SWLSSP) including;

- offering every school in the district an opportunity to participate in the Mini Olympics for the first time, this has seen an increase of 180 competitors (25% increase from last year)
- Trained 160 Young Ambassadors across the whole district (Bourne, Deepings schools had not accessed this scheme under their Partnership)
- Increased the Sports Leadership Academy intake to 53 students this year
- Provided more CPD training courses to school staff than any other year
- Increased the number of schools accessing Pro-Kick challenge

Inspire+ has introduced new services and initiatives to schools that include;

- The hugely successful South Kesteven Cultural & Olympic Tour that will take in 20,000 pupils
- Sports Leaders courses provided during school holidays
- Organised an inspiring trip for 50 people to access the Olympic Park
- Half day access to PGL for every primary school
- Organised and staffed a residential weekend at PGL accessed by 87 pupils across 35 primary schools
- Piloting 'mini-racquets' aimed at pre-school/KS1 to develop fundamentals skills associated with racquet sports. Traditionally this age group has had minimal services provided to them

Every school that was traditionally served by SWLSSP has purchased the services of Inspire+. This is the first time that schools have been asked to pay for services that were traditionally free of charge under the Government funded School Sport Partnerships.

Inspire+ work around the Young Ambassador programme was recognised with an invitation to No10 Downing Street.

Impact broken down by Inspire+ initiatives

Area	Description	Impact
Young Ambassadors	The role of the Ambassadors is to inspire pupils in their school to be involved more in sport and leadership. Young Ambassadors range from Bronze Ambassadors in Primary Schools. Silver through to Gold Ambassadors in Secondary Schools. Inspire+ appoints Platinum Ambassadors who support Inspire+ deliver the programme	<p>Every school in South Kesteven had the opportunity to develop Young Ambassadors</p> <p>160 Bronze, Silver, Gold & Platinum Ambassadors trained from 70 schools. Training took place in Grantham, Stamford and Bourne and was also attended by teachers</p> <p>This year the Ambassadors supported the roll out of the South Kesteven Cultural and Olympic Tour</p>
Playground Leaders	Training young people to lead structured play at lunch and break times that increases physical activity levels and reduces incidents of poor behaviour	Inspire+ has trained school staff to deliver the programme. Schools continue to roll out the Playground Leaders programme
Parent volunteer programme	Designed to help schools deliver more OSHL clubs	12 parents completed and returned 'sign up' forms and were able to access Inspire+ CPD programme
Carousel of coaches	Schools access coaches in a range of sports for 12 weeks free of charge	Every school has accessed 2 sports coaches. 1800 children participated with 10,800 attendances between them
