

Initiative / Services	Description	Impact	
YOUNG PEOPLE			
<p>Inspire+ Ambassador Sam Ruddock</p>	<p>Sam visited all Inspire+ primary & secondary schools this year. His assembly started with showing the children who his heroes were growing up as a child. The presentation then moved on to teaching the children in an interactive way about what makes a healthy lifestyle: sleep, exercise, water and food. Sam also delivered several bespoke workshops to secondary schools, related them to dealing with pressure for students ahead of their exams.</p>	<p>Sam has delivered 78 workshops and assemblies to children this year.</p> <p><i>Thanks for organising the assembly with Sam yesterday- it was brilliant. Just wanted to share with you some of the comments from staff that I received over email, as well as the social media responses from school and the academy trust...</i></p> <p><i>"That was ACE!!! Thanks for arranging."</i></p> <p><i>"He was brilliant and very entertaining!"</i></p> <p><i>"I wasn't there, but some Year 9 students in the library were saying that they had really enjoyed the assembly, when they had just been expecting another 'boring' assembly presentation. They thought Sam was really inspirational."</i></p> <p><i>"Firstly, he was fantastic! He had a great delivery which meant that even when the students were not fully concentrating on him, he got them back in a second. He made them laugh, contemplate and think. He inspired them with his can-do attitude."</i></p> <p><i>Thanks again.</i></p> <p>Walton Girls, Grantham.</p>	

<p>Inspire+ Ambassador Sophie Allen</p>	<p>This year, Sophie visited core Inspire+ member schools along with schools in South Lincolnshire, Lincoln, Gainsborough and Peterborough. Each school received a half day session which was focussed on Girls in Sport, Achieving your Goal, Communication, Teamwork, Diet & Nutrition or psychology.</p> <p>Schools made the choice on what topic they wished Sophie to present on their half day, depending on the needs of their school and pupils.</p> <p>Sophie has led on the Inspire+ Gifted & Talented programmes alongside the Inspire+ mentoring programme working with specific groups of children.</p>	<p>Sophie has visited over 81 schools delivering a bespoke half-day to each one.</p> <p><i>'I just wanted to say thank you so much for your visit. I have been hearing positive comments from all the children about your assembly and the workshops. My own two boys were really enthused by your realistic approach that it is tough, and you must persevere and some days you might not want to. If you are ever our way again or we could do further work with you in the future, we would be delighted to do so.'</i></p> <p><i>Many thanks for your time and being so flexible.</i></p> <p><i>Best Wishes Rebecca Hales</i></p> <p>The John Harrox Primary School</p>	
<p>Inspire+ Ambassador Ben Smith</p>	<p>On the 1st September 2015 Ben began one of the most challenging and rewarding experiences of his life. Ben ran 401 marathons on 401 consecutive days around 309 different locations of the UK mainland. This also included 2 marathons around Inspire+ Schools.</p> <p>Ben undertook this challenge to raise money for 2 anti-bullying charities whilst also highlighting the issues around bullying and mental health.</p>	<p>This year Ben visited over 50 Inspire+ schools including the Peterborough cluster. He visited during anti-bullying week for schools to link the assembly too. Which told the children the stories of the challenge and a secret insight into Ben's next challenge.</p> <div data-bbox="958 1011 1317 1401">  <p>Emma Ashmore @EmmaBarkeS... · 1h @EyrescroftPS My 9yr old son was so inspired by Ben Smith that he wanted to write to explain he would love to do a challenge when he grows up & raise money for charity. Thankyou so much @inspire_plus @the401challenge for taking the time to share your story #inspiration #proudmum</p> </div>	

<p>Inspire+ Ambassador Sarah Outen MBE</p>	<p>Sarah was available this year to visit Inspire+ schools speaking specifically on her ocean crossings during her London2London adventure. These were parts of her journey that saw her lose 2 rowing boats and be rescued twice because of storms and damaged equipment. This did not stop Sarah who continued her journey and re-rowed the Atlantic ocean.</p>	<p>This year Sarah came and visited 25 Inspire+ Primary Schools, including new schools in the Peterborough and Sleaford cluster.</p> <p>Sarah brought her stories from her adventure to life, capturing the children’s imagination with the stories and pictures of wildlife from the ocean.</p> <p>From Sarah’s assemblies, she was able to speak to the children about resilience and how everyone faces barriers and setbacks, but to not let these stop you achieving your goals and dreams.</p>	
<p>Inspire+ Ambassador Shona McCallin MBE</p>	<p>Local girl Shona McCallin, who went to school at Long Bennington Primary School followed by KGGS, is now a professional, full time hockey player. Who was part of the squad that went to the Rio Olympics and brought home the gold medal!</p> <p>We are extremely proud to have Shona as an Ambassador, being a local girl who has achieved the ultimate goal as an athlete is truly inspirational.</p>	<p>Shona visited 50 Inspire+ member schools this year, including our Peterborough cluster schools.</p> <p>Her assemblies this year were themed on dealing with pressure. The pressures and nerves she experienced as a professional athlete and relating this to the children going through their SATS, competitions and peer groups. This helped the children understand the feelings are completely normal and gave them ideas on how to cope with them.</p>	
<p>Inspire+ Ambassador Jonathan Broom-Edwards</p>	<p>2017/18 was Jonathan’s first year as an ambassador for the charity. He visited all our core schools and he introduced himself to schools on what he did on his Paralympic journey.</p>	<p>37 assemblies delivered to core schools. Jonathan is looking forward to his next year with us bringing an assembly focusing on mental health along with an update on his career.</p> <p><i>‘Great assembly we really enjoyed it, thanks.’</i></p> <p>Allington Primary School.</p>	
<p>Young Ambassadors (YAs)</p>	<p>The Young Ambassadors programme originates from the success of The London 2012 Olympics and wanted to continue the inspirational games with the ‘inspire a generation’ ethos.</p>	<p>We have seen an increase in the number of Young Ambassadors at all levels within our area. We have trained over 120 Bronze Young Ambassadors which have then gone on to help lead programmes, such as:</p>	

	<p>The Young Ambassador Programme is a country wide initiative, which ranges from Bronze YA's in Key Stage 2 through to Platinum YA's in Key Stage 5.</p> <p>We are proud to deliver all aspects of this programme, which actively engages young people from Year 5 all the way through to Year 13.</p>	<p>The Legacy Challenge, Legacy Tour and The Mini Olympics.</p> <p>The senior Young Ambassadors have also been busy helping out by organising the Legacy Tour, Mini Olympics and other events throughout the year.</p>	
<p>Inspire+ Legacy Challenge</p>	<p>Launched in 2012 with the support of Lord Coe, pupils embarked on a series of challenges, that were created to release the London 2012 pledge of 'inspiring a generation'.</p> <p>The Legacy Challenge is totally bespoke and designed by the charity to encourage our young people to be inspired towards a lifetime of sport, culture and healthy living.</p> <p>The Legacy Challenge was used by schools throughout the whole year or as a condensed project.</p> <p>The Inspire+ Legacy Coordinator supported the schools to embed the resource in schools.</p>	<ul style="list-style-type: none"> • <i>New design of logbooks that focused on the Inspire+ Ambassador, this was to encourage the children to aspire to be like the ambassadors and achieve great things.</i> • <i>Active Lincolnshire funded the legacy Challenge to be a free resource available to all primary schools in Lincolnshire.</i> • <i>Trained over 300 bronze Young Ambassadors to lead and promote healthy lifestyles to their fellow pupils</i> • <i>80 Schools engaged throughout the county</i> • <i>Over 100 teachers were trained to embed the programme within their schools</i> • <i>Over 16,000 pupils engaged in the Legacy Challenge</i> <p><i>'Through pupil voice, displays (photos and evidence), the website and the ethos of the school in general, our inspector was very impressed with how the Legacy Challenge and the enthusiasm of the Bronze Ambassadors seemed to be affecting the general atmosphere in the school. As many of our children spoke with such passion about their roles in school, leadership and volunteering and the challenges they set themselves through the Legacy Challenge the inspector ended up asking for a copy of the Legacy Challenge and has made reference to it in our final report.</i></p> <p><i>He could see there was a clear link between the children's general behaviour and attitude to work and</i></p>	 

		<p><i>the work we do with them through the Bronze Ambassador training and the Legacy Challenge. The inspection process does now look very closely at SMSC in schools and the Legacy Challenge appears to have ticked a box for them in my school.</i></p> <p><i>Thanks again for this wonderful toolkit and producing something that addresses many SMSC areas through sport, healthy lifestyles and values.'</i></p> <p>Primary School Head Teacher</p>	
<p>KS1 Gifted and Talented Programme</p>	<p>The third year of the gifted & talented programme for KS1 pupils, delivered by our extremely experienced athletics and FUNdamentals coach, was held in three locations to provide opportunities to as many children as possible.</p> <p>Each course consisted of 6 sessions and parents were invited to stay to view the sessions, assist their children and learn about the importance of FUNdamental movements.</p> <p>The programme is based around a set of 12 core activities which are designed to test and develop a child's ability in the following important areas (as well as others): Balance, Control and stability, Leaping and landing, Coordination and rhythm, Single arm throwing, Speed, Foot-Eye coordination, Hand-Eye coordination, Spatial awareness, Two arm throwing, Agility. Sporting values of Teamwork, Respect, Honesty, Passion, Determination & Self-belief are also explored and celebrated.</p>	<p>The Key Stage 1 gifted and talented programme was delivered to 55 children, sessions were held in Grantham, Stamford and Weston Hills. All core schools could nominate at least 2 pupils to attend.</p> <p>Pupils completed the 6 session blocks, and in the final session had the chance to put the core skills they had been learning about into practise. They all gained 'Infant Agility 1' certificates, with the level being categorised following their results in the final session.</p> <p><i>"My son has recently completed a 6 week course with Lisa Ashcroft & enjoyed it so much, that I felt I wanted to let you know!! Mrs Ashcroft has such a great way with the kids & Alfie got so much out of the sessions. Thanks again for arranging these sessions."</i></p> <p>Parent from St Gilbert's Primary School.</p>	
<p>Years 3 & 4 Gifted & Talented Programme</p>	<p>Children that were identified by their school as being Gifted & Talented in sport were able to access termly training sessions.</p>	<p>All the sessions were led by Inspire+ Ambassador and Olympic Swimmer, Sophie Allen. This was a fantastic opportunity for all the children getting to learn from and hear the experiences of a local Olympian!</p>	

	<p>The 6 sessions focused on: Communication, Team Work, Diet & Nutrition, Psychology, Fitness & Exercise and Game Play.</p> <p>Sessions were practical, theory and outside session tasks to take away and complete between sessions. Parents were able to stay and watch the sessions, and handouts were provided with the information from the sessions for the children to take home.</p>	<p>122 pupils from year's 3 & 4 accessed the 6 sessions that was mirrored in Grantham, Stamford, Weston Hills and Peterborough.</p>	
<p>Years 5, 6 & 7 Gifted and Talented Programme</p>	<p>This programme was run in partnership with the University of Lincoln. The programme consisted of sessions ran by Inspire+ Ambassador Sophie Allen, with tasks being set for the children to complete between the sessions. Before the final session – a trip to the University of Lincoln.</p> <p>The sessions included: Psychology, Biomechanics, Strength & Conditioning, Adaptive Game Play, Diet & Nutrition and Fitness Testing.</p> <p>Children accessed the University's high quality equipment and facilities. This gave them an early insight into Universities and to meet University students and lecturers.</p>	<p>The Year 5,6 & 7 Gifted and Talented programme was offered to Inspire+ member schools with 51 children being nominated to take part in this programme.</p> <p>Pupils completed the sessions with Sophie Allen, and in the final session, held at Lincoln University, had the opportunity to use advanced equipment to solidify their learning from the programme.</p> <p>We also ran a 5-session set of workshops in Peterborough to pupils in year 5 & 6, also led by Sophie Allen and focusing on the same areas of development. These were accessed by 23 pupils from the cluster of primary schools.</p> <p><i>"I loved doing the active rowing machine challenge to see whether we could burn of a snickers bar. It was all great fun!!!!"</i></p> <p><i>"I have learnt my strengths and weaknesses about my body."</i></p>	
<p>Gifted and Talented Grant Scheme and Get Active Grant Scheme</p>	<p>Inspire+ supported pupils identified by the school as Gifted and Talented, if kit, transport, or club membership fees were a barrier to reach their potential.</p>	<p>This year, 3 primary schools applied for Grant Scheme funding for pupils they had identified as gifted and talented. These applications granted 7 pupils' funding through the Grant Scheme.</p> <p>In total, £1750 was awarded to pupils via the Gifted and Talented Grant scheme this academic year.</p>	

		<p><i>"The funding has allowed William to receive extra coaching from both Lincolnshire and Leicestershire coaches and he is now playing for the full Lincolnshire Team."</i></p>	
<p>Paralympic Half-days</p>	<p>Each new school received a half-day of coaching from our disability sports expert.</p> <p>Schools have utilised this to give classes a flavour of all inclusive sports for their children and up skill their staff to be able to continue the delivery of the sports.</p> <p>Schools have the option to book extra sessions after their taster session. This can be arranged by contacting the Inspire+ office.</p>	<p>Sports that can be offered are:</p> <ul style="list-style-type: none"> • Boccia • New Age Kurling • Seated Volleyball • Goalball <p>These sports are fully inclusive and can be played in spaces as small as a classroom.</p>	
<p>Mini Olympics</p>	<p>The 11th Mini Olympics took place on the 19th, 20th & 21st June 2018 at the South Kesteven District Council Stadium in Grantham. The event was attended by Inspire+'s primary schools and was themed a festival of sporting – celebrating this year's Commonwealth Games, Winter Olympics, Football World Cup and Hockey World Cup.</p> <p>Samba bands, carnival dancers and freestyle footballers brought the Olympic theme to life, whilst local sports clubs and coaches ran the activity stations for the day.</p> <p>The day is a huge celebration for the charity and those involved with it.</p> <p>The day allows the charity's schools, leaders, trustees and partners to come together for an inspirational day and for the year 2, 3 and 4 children taking part to experience what might be for many of them, their first big sporting event. The event includes its own opening parade and closing ceremony with mass dance.</p>	<p><i>'I wanted to contact you before the Summer holidays to thank you for organising the Mini Olympics. I brought my class for the first time and what a fantastic day! From the initial letters, to the day itself, the organisation was excellent. Every small detail had been considered. The children (and accompanying adults) came away excited and enthused and are still talking about the day weeks later. Also, the young adults who were supporting on the day should also be commended. They were patient, responsible and enthusiastic and knew exactly what to be doing at the right times-a real testament to your charity. A wonderful day was had by all. Thank you for organising this day for so many children-a days they are sure to remember.'</i></p> <p>Claypole Primary School.</p> <p>This was the first year the event had taken place over 3 days!</p> <ul style="list-style-type: none"> • Over 2000 primary school children took part • 70 Sports Leaders & Young Ambassadors volunteering each day • 14 different sports each day • 6 sporting celebrities & 80 VIPs 	 

Inspire+ Mass Participation Event	Schools have the opportunity to taking part in this annual event. The event is a fun way to get as many children as possible active, as well as trying to set an Inspire+ record.	This event allows children of all ages and abilities to take part in an event, alongside hundreds of other children from Inspire+ member schools. This year there were a total of 14 schools that took part and completed over 2500 miles.	
PGL Half day access	Schools had the opportunity to take pupils to PGL in Caythorpe. Emphasis were placed around extending PE opportunities (OAA) and giving pupils access to outstanding facilities and instructors.	<ul style="list-style-type: none"> • 31 schools accessed PGL Caythorpe for at least half a day. Schools would not normally be able to access PGL for half a day, this is thanks to their Inspire+ membership • As a result, 465 pupils got to visit PGL Caythorpe to experience the great outdoor adventure facilities they have. 	
PGL Access Weekend (year 6-7 transition)	Schools had the opportunity to select pupils to attend a special weekend at PGL, staffed by Inspire+. The weekend is aimed at pupils in year 6 to help aid transition from primary school to secondary school. Schools had the discretion on pupils chosen, with reasons ranging from being a Young Ambassador, attainment, good behaviour, students with low self-confidence or students who have never experienced outdoor education before, which may have been due to financial restrictions.	21 Primary School children & 10 secondary school sports leaders/young ambassadors attended the weekend from across our core schools. <i>"I just wanted to say thank you to all the PGL / Inspire+ team for the great time that my daughter Chloe H had over the weekend at Caythorpe. She's completely exhausted but thoroughly enjoyed it!"</i> <i>"I enjoyed meeting new people, thank you Inspire+"</i>	
Wheelchair Sports	Working alongside Active Lincolnshire, schools can access wheelchairs and training that can be utilised in PE and OSHL setting.	This opportunity is available for all schools and can support the breadth and diversity that these children experienced in the curriculum.	
TEACHING STAFF			
PE, Sport and Leadership Conference	Inspire+ organised a conference, which provided the platform for teachers to develop PE, Sport and Leadership provision. Workshops were run by national and local facilitators, including a workshop held by the Royal Opera House.	Following on from the PE & Sport Conference, 17 schools registered an interest with the National Opera House. The schools received resources/training from Allison Consultancy and schools began using the database. This was produced by Matt Evans from Carres Grammar School (Sleaford) to aid schools with tracking pupil participation.	

	<p>Inspire+ Ambassador and Adventurer, Sarah Outen, was our special guest along with former GB international badminton player Gail Emms.</p>		
<p>CPD Courses</p>	<p>A comprehensive programme of primary school courses delivered locally and nationally, were coordinated for member schools. Courses were aimed at supporting all school staff to deliver high quality PE and Sport in their schools.</p>	<ul style="list-style-type: none"> • 37 CPD courses have been facilitated • A total of 365 staff members applied for places on the courses • 100% of attendees agreed/strongly agreed the course equipped them to make an impact on their practice • Comments from the course evaluation forms include: <p><i>'Brilliant! Easy to implement ideas - immediate impact.'</i></p> <p><i>'Thank you. Easy and useful. PE Training can make people feel inadequate, but this didn't. Excellent!'</i></p> <p><i>'I enjoyed all of it- great relationship with class- fun and relaxed atmosphere.'</i></p>	
<p>Real PE</p>	<p>Scheme of work from Create Development that works on building children's skills in agility, balance and coordination through a set of 12 skill-based cards. That progress in difficulty from yellow to black. These skills are then implemented through non-traditional games to further progress the children's skill level.</p>	<p>15 schools accessed curriculum team teaching support to embed Real PE in school.</p>	
<p>Real GYM</p>	<p>Another scheme of work from Create Development which is a new and holistic approach that makes gym relevant, meaningful and challenging for every child.</p>	<p>8 schools accessed curriculum team teaching support to embed Real GYM in school.</p>	

SCHOOL

Mini Bus	Inspire+ secured access to a mini-bus to ensure pupils can access sports fixtures/events.	3 schools accessed this support to provide transport to a sporting event.	
Workshops/Advice in writing & preparing applications	Inspire+ are supporting schools with the application process. Applications can be submitted by the school or constituted parents groups/associations linked to the school.	7 schools had their applications approved for funding. These schools made use of the advice given in writing and preparing their application. Schools received funding for things ranging from a new trim trail to a community library.	
TOP Swimming	This initiative funds 50% of an additional qualified school swim teacher to work with non-swimmers to ensure children meet the KS2 requirement.	Schools continue to access this programme that is proven to support the development of targeted pupils.	
Parent Volunteer Programme	Inspire+ provided an induction event for parents giving them access to basic sports training, this enables the parents to assist sports clubs at their child's school. This can also be an opportunity for parents to progress into paid job roles.	This year, Inspire+ had interest from parents/guardians from 7 different schools. There were 9 parents/guardians who showed an interest in the programme with 6 of these being able to attend the Inspire+ training session.	
Inspire+ Legacy Tour 2016/17	<p>This year's Legacy Tour was based around sporting events that were taking place this year (Winter Olympics, FIFA World Cup). Alongside raising awareness of active lifestyles and healthy eating.</p> <p>All member schools were offered the opportunity to be part of the Inspire+ Legacy Tour.</p>	<p>A total of 36 schools took part in the Legacy Tour, with approximately 6900 young people engaged!</p> <p>As part of the tour we asked all schools to sign a Hockey stick to be presented to ambassador Shona McCallin.</p>	

<p>The Daily Mile</p>	<p>The Daily Mile is aimed at every school child with the target of them being able to complete one mile a day.</p> <p>It has been proven to prepare children for their lessons, leaving them more focused and ready to learn. The Daily Mile is non-competitive, easy and fully inclusive, alongside aligning with the new Obesity Strategy announced by the government.</p>	<p>Out of the 14 schools that responded 10 schools were running The Daily Mile within their school, with a further 3 schools looking to implement The Daily Mile in the academic year 2018-19.</p> <p><i>“We have done it since Term 5 – main reason because of the legacy challenge. Now the children don’t ask they go and do it. Also, they moan if they don’t do in the morning!”</i></p> <p>Tracey Duxbury-Mead, Huntingtower.</p>	
<p>Playground Leaders</p>	<p>Following the successful introduction of in-school training, the charity continued to offer this training to all member schools.</p> <p>Schools receive 6x1 hour training sessions with their chosen group of pupils. This training can also incorporate working with the school’s midday, lunchtime supervisors.</p> <p>At the end of the training the pupils and midday, lunchtime supervisors can work together on a rota system to provide structured play at lunchtimes.</p>	<p>14 schools accessed training on their school site to train students and lunchtime supervisors.</p> <p>Students trained also received uniform to identify them as leaders at lunchtime.</p>	
<p>Specialist coaches</p>	<p>Inspire+ help to provide quality coaching at schools through a comprehensive range of sports, to support increased OSHL and support the upskill of teachers delivering PE curriculum.</p>	<ul style="list-style-type: none"> • A total of 40 Primary Schools have accessed the specialist coaching service, with the majority receiving some sessions for free as part of their Inspire+ membership. • Schools consistently and regularly request additional coaching services. • Our specialist coaches provide teachers with the knowledge and guidance to improve and upskill their current PE experience. • This year, on average: <ul style="list-style-type: none"> ➢ Pupil enjoyment has increased by 130% ➢ Pupil confidence has increased by 140% ➢ Teacher knowledge has increased by 81% ➢ Teacher confidence has increased by 88% 	

<p>Inspire+ mentor programme</p>	<p>Our mentors provided support and guidance to young people with the aim to help remove barriers to learning in order to support effective participation, enhance individual learning, raise aspirations and achieve full potential.</p> <p>The mentoring programme is first and foremost for young people who have a genuine interest in sport. Schools identify young people who are not maximising their potential specifically in the following areas:</p> <ul style="list-style-type: none"> • Not applying themselves academically • Gifted and Talented • Young people with behavioural issues • Low confidence <p>Our mentors then hope to help address these issues and engage with the young people through sport.</p>	<p>130 young people have been engaged in the mentoring programme this year across 32 primary schools for the academic year of 2017/18.</p> <p>The inspire+ mentors meet with the students once a term, setting goals with the children to complete between each session.</p> <p><i>'Thank you so much for this Chris. Our Digby 4 have enjoyed it. Wish we had more like this going on!'</i></p> <p>Digby Primary School</p> <p><i>'Thank you so much, the children loved it and have had fab feedback they are really looking forward to the next session.'</i></p> <p>Long Sutton Primary School</p>	
----------------------------------	---	--	---

COMMUNITY

<p>Olympic Sports Holiday Camps</p>	<p>Holiday sports camps aimed at introducing young people to Olympic and Paralympic Sports. Giving children opportunities to be active during school holidays in a structured and fun environment.</p> <p>Over the 2016/17 academic year Inspire+ held camp days at: Huntingtower Community Primary Academy and Barkston Primary School, Grantham.</p> <p>The charity have continued to provide sessions of both Olympic and Paralympic sports delivered by our Inspire+ core staff and coaches. These sessions provide children with an insight into many different sports that they may otherwise not have the chance to take part in.</p>	<p>Over the 2017/18 academic year, Inspire+ held 30 camp days across the half-terms, with 456 places being booked across these days.</p> <p><i>'My two children have thoroughly enjoyed their days with you- they have had the opportunity to try new sports and make new friends. Their favourite sport so far is wheelchair basketball. I am grateful for the opportunities for them to be active in such a variety of sports during their school holidays. Thank you to the team for their well organised and inspiring sports camps.'</i></p> <p><i>'Sports Camp is great value and my children love going to meet new friends and experience new activities.'</i></p>	
-------------------------------------	--	--	--

	<p>Our camps follow Ofsted guidelines and we pride ourselves on the quality we provide for participants. The camps also give our Young Ambassador and Sports Leadership Academy volunteers the chance to gain valuable experience working with young people in a sports camp environment. This includes group management and assistant coaching.</p>	<p><i>'Inspire+ is a fantastic sports camp and great value for money. It is well organised and offers a variety of activities to suit all ages. My children love going and the team of leaders are very welcoming. It's difficult when you work full-time to find somewhere for your children to go where you know they are comfortable and enjoy and I would have no reservations in recommending this camp.'</i></p>	
<p>Website</p>	<p>In Spring 2017 we launched our new website. The website contains information about all Inspire+ services and initiatives.</p> <p>Schools can inform parents of their PE and Sport provision to pupils by linking the Inspire+ website to the school's website.</p> <p>www.inspireplus.org.uk</p>	<ul style="list-style-type: none"> • Online booking for activities have been up and running for over a year now. • Online bookings for our sports camps have proven to be popular with over 80% of bookings made via our online system. • This year we added our CPD courses to the online booking system, although not popular with teachers, we will continue to push this again next year as our preferred option, as this will allow teachers to directly book onto the courses that they wish to attend. 	
<p>Secondary School Provision</p>			
<p>Sports Leadership Academy</p>	<p>The Sports Leadership Academy has been running for 9 years and enables the leaders to make a real impact in their schools and local community. By working very closely with the local School Games Organisers we are able to provide these leaders great opportunities to impact sports within their schools and the local community.</p> <p>We coordinate and run National Governing Body sports courses, which will help introduce them to those sports and enable them to coach, officiate and lead a group in that chosen sport.</p> <p>Throughout the year we offer a wide range of volunteering opportunities for the leaders to assist and play a part in, these include local school festivals, Inspire+ sports camps, local</p>	<p>This year has been the busiest year to date for the SLA with the number of opportunities to volunteer reaching in excess of 70.</p> <p>This academic year has seen the introduction of 2 more initiatives to enhance the current Sports Leadership Academy. The introduction of the Sports Leaders UK sports leadership courses was to provide the leaders with not only a higher level of training and confidence within the roles they already do, but to reward them with a nationally recognised qualification.</p> <p>The second addition to the Sports Leadership Academy was the introduction of our Business Skills Pathway which was in partnership with local businesses from Grantham. The Business Skills Pathway event, provided the leaders with key business skills such as, Interviewing Skills, Choosing the correct business and first impressions.</p>	

	<p>sports clubs' programmes and other community events.</p>	<p>Here are some key facts from the academic year 2017/18:</p> <ul style="list-style-type: none"> • Over 1,000 hours logged, with many more unrecorded. • Over 70 volunteering opportunities throughout the year, ranging from festivals to community events. • 110 Leaders were trained. • 15 different sports courses were run, of which 2 were new courses. • Continuation of SLUK course, 39 Leaders successfully completed either their Level 1 or level 2 awards. • 2nd year of the Business Skills Pathway <p>With the new additions to the Sports Leadership Academy, the opportunities and depth of the programme that we provide is setting up the leaders for life.</p>	 
<p>Business Skills Academy</p>	<p>The Business Skills Academy linked local businesses with our Sports leadership Academy students.</p> <p>Students attended a conference where 5 local businesses ran workshops in different areas key to applying for jobs; including CV writing, body language, being professional and researching companies.</p> <p>Following this, these students could apply and go through an application process to take on work experience at one of the businesses from the conference.</p>	<p>60 of the secondary school Young Ambassadors and Sports Leadership Academy students attended the conference.</p> <p>From this a number of them applied for work experience across the businesses through sending in an application form and their CV. They then went under interview processes and were successful in securing work experience placements during the school holidays.</p> <p>Pupils commented how beneficial they found the whole process as School's are not able to provide work experience anymore or spend much time teaching job and life skills.</p>	

<p>Young Ambassadors (YAs)</p>	<p>The Young Ambassador programme originates from the success of London 2012 and wanting to continue the inspirational games 'inspire a generation' ethos.</p> <p>The Young Ambassador Programme is a country wide initiative which ranges from Bronze YA's in Key stage 2 through to Platinum YA's in Key Stage 5.</p> <p>We are proud to deliver all aspects of this programme which actively engages young people year 5 all the way through to year 13.</p>	<p>The Young Ambassador programme was available to all of the secondary schools in the Grantham and Stamford area. We have a total of 7 Silver, 19 Gold and 9 Platinum Young Ambassadors from all schools which have been active throughout the year.</p> <p>The Gold and Platinum Young Ambassadors come together to create the South West Lincolnshire Young Ambassador Steering Group, who work with Inspire+ and the Local School Games Organiser to support local community events, such as the Mini Olympics.</p> <p>The Young Ambassador steering group were invited to their very own conference which was hosted at Jump Revolution, with Inspire+ ambassador Sophie Allen attending. The steering group allowed the Young Ambassadors to build on their confidence and teamwork, to help set them up for the year ahead.</p>	
<p>PGL Reward Trip</p>	<p>Linked to the Sports Leadership Academy, this year we were able to offer 15 leaders the opportunity to attend PGL as a reward for their hard work volunteering within the community.</p>	<p>15 Sports Leaders were chosen from those that had applied to attend PGL Caythorpe as a reward for their hard work volunteering. Each leader had volunteered and logged at least 50 hours with the majority logging over 100 hours.</p> <p>We saw the value in rewarding these leaders for their commitment to the SLA and working within the community.</p>	
<p>Gifted and Talented Grant Scheme</p>	<p>Inspire+ supported students identified by the school as Gifted and Talented in sport if kit, transport, or club membership fees were a barrier to reaching their potential.</p>	<p>Nominations were received from two secondary schools, Walton Girls' School and West Grantham Academy (St Hughs); resulting in 7 talented students being awarded a magnificent total of £1866 by the awards panel. This funding has helped towards the cost of equipment, coaching, training and travelling.</p> <p>Head Teachers, Susan Dench from West Grantham Academy and David Scott from Kesteven and Grantham Girls' School, writing to thank Inspire+ for the awards for their students, also acknowledged the</p>	

		<p>many opportunities and support the Charity provided for their students.</p> <p><i>“The financial help provided by Inspire+ in covering some of our daughter’s swimming costs has been a tremendous help”</i></p> <p><i>“Thanks to the financial support provided by Inspire+ we have been able to use the funding to purchase on field players kit and off field training kit for our daughter who is in the GB under 18 Touch Rugby Squad.”</i></p>	
Education Team			
Health Check and PE forum	PE co-ordinators and/or head teachers are invited to join us at termly PE forum meetings and have had the opportunity to request individual support for their school in the form of a PE health check.	Schools can use the valuable information gained from these forum sessions to enhance their PE and school sport provision with up to date advice and resources. Our health checks are designed to be a toolkit that can be shared with school staff and governors to highlight areas for improvement and to celebrate areas of strength.	
Apprentices	Our PE and school sport apprenticeship is now in its second year of delivery. We provide the training for both New College Stamford and Boston College. Our apprentices give schools the opportunity to improve the quality of PE and school sport provision and participation.	Our 32 PE apprentices in the 2017/18 academic year worked with over 5000 school pupils across the county. Their influence in PE and sport has raised the profile of sport and physical wellbeing and increased schools’ participation levels in a whole range of sports and events. This year we look set to work with over 70 schools delivering our programme and training up these highly influential young people.	
Level 3 NVQ	Inspire+ are pleased to be able to offer their NVQ Level 3 programme for current school employees. This year we have 20 work-based learners and we are looking to start a new cohort from October 2018.	This course is ideal for teaching assistants or cover supervisors who currently work in a school. We provide online as well as face to face training for our learners and deliver this course over a minimum of 18 months. The learner will help support the delivery of PE in sport in their school setting.
