Inspire+ seasonal staff working opportunity

Sport, Health, Wellbeing & Educational charity inspire+ are looking for seasonal staff to join their team to support provisions in the Easter, Summer, and Christmas Lincolnshire School Holidays.

These opportunities will be working on the school holiday community clubs, working alongside our team of experts delivering high-quality provision sports clubs and physical activity with educational health and wellbeing aspects covering a wide range of physical activity opportunities and fresh healthy lunches.

We are seeking individuals who have experience in working with young people, either from a coaching or school background. You must be enthusiastic, reliable, hardworking, professional, engaging, adaptable and a great team player.

If you are interested in applying for this role and are successful, you will be added to our database and contacted ahead of each school holidays with opportunities available. The role will pay £10 per hour with a typical camp being 6 hours long.

Our school holiday provisions are an extremely rewarding opportunity to work with young people creating memorable experiences and developing their skills.

If you are interested in this role, please complete the below expression of interest form. Any questions please do not hesitate to contact the charities operations manager, Chris Graves on Chris.Graves@inspireplus.org.uk / 01476 578137.
