

Behind the Impact

Stories, updates and impact from across inspire+

A growing talent pool ready to support schools

We're seeing a real surge in apprenticeship applications and are cultivating a strong pipeline of enthusiastic future educators ready to support schools. This creates a valuable, cost-effective opportunity to build skills, support pupils, and strengthen school staffing for the long term.

Inclusive wheelchair festivals creating opportunities across the county

More than 240 children have taken part in inclusive wheelchair sport festivals across the county. These sessions have built confidence and created a welcoming space for young people to enjoy being active.

Apprentices recognised for their impact in schools

We've got our fingers crossed for two inspire+ apprentices, Shay Markham and Ava Reed, who have been nominated for awards.

Recognised for their commitment, support for pupils and positive influence, both apprentices should be incredibly proud of the impact they continue to make.

A new format opens the pool to more swimmers

A refreshed swimming gala format removed barriers for smaller schools, ensuring pupils could take part even without a full squad.

This led to 19 schools and 315 pupils competing on the day, creating more opportunities to participate, succeed and celebrate together.

A fun and active Easter reaching over 1,000 young people

Over Easter, inspire+ delivered an engaging programme across five locations, reaching more than 1,000 young people.

Sport, creativity and cooking sessions helped children try new things, build friendships and feel supported.

A Message to Member Schools

During Term 6, we'll be visiting our Member Schools to solidify their membership provision for the 26/27 academic year. If you're a Member School and don't yet have a meeting with our team arranged, please do get in touch
